

## Overview C-groups (Spring 2021)

**Masks:** Students are required to wear their masks for the duration of each C-group event. The only exception to this rule is when students are playing a game outdoors and position more than six feet apart.

**Group Distancing:** Students must stay within their assigned groups. As much as possible, groups should avoid contact and interaction with one another.

**Restrooms & Water Fountains:** No more than one person is permitted in a restroom at a time. Additionally, the water fountains are not available during Youth activities.

**Outdoor Activities:** Each group has been assigned a section of the property for outdoor games. Only one group may use area under the overhang on their side for four-square.

**Health Screening:** Students and leaders must have their temperatures taken upon entry to the building and answer the following COVID screening questions:

1. Do you live in the same household with, or have you had *close contact* with someone who in the past 10 days has been in isolation for COVID-19 or had a test confirming they have the virus?
2. Have you had any one or more of these symptoms today or within the past 24 hours, which is new or not explained by another reason?
  - a. Fever or chills
  - b. Cough
  - c. Shortness of breath or difficulty breathing
  - d. Fatigue
  - e. Muscle or body aches
  - f. Headache
  - g. New loss of taste or smell
  - h. Sore throat
  - i. Congestion or runny nose
  - j. Nausea or vomiting
  - k. Diarrhea

Students and leaders with a fever greater than 100.4 or who answer yes to either of the above questions, will be sent home.

**Registration:** The best place to register for Youth Wednesday Nights is the Church Center app. However, you can also register online at [naobc.churchcenter.com/registrations](https://naobc.churchcenter.com/registrations). Registration will open on Wednesdays for the following week. Please be aware that due to restrictions on group sizes, we can only accommodate a limited number of students each week. Once group limits have been reached, non-registered students that arrive on Wednesday will be sent home. Finally, groups are filled on a first-come, first-served basis each week. A student's spot does not carry over from one week to the next.

**Dropoff and Pickup:** All students must enter through the Preschool Lobby. Once they are in the building, students should stop at one of our COVID screening stations before proceeding to their classroom. Once again, students must have their masks on as they enter the building.
